What are the Listeners' Awards?

Throughout the year, ShoutOut speaks to, interviews and promotes many parts of our wonderful LGBT community. We liaise with a lot of people who put a lot of hard work into what they do and quite often with little recompense for doing so. That's what the awards are for - they are YOUR chance, as our listener, to tell us who you think deserves that bit of recognition for the work they do.

How does it work?

It's very easy. The voting is divided into two rounds:

1. Open nominations - (this round has now closed)
2. Voting - The top most nominated in each category will go into round 2 for everyone to vote for. These are displayed below.

Do I have to vote in EVERY category?

Nope. Just vote in the ones you feel you want to.

Do I have to give you my details or can I vote anonymously?

If you'd prefer to remain anonymous that's absolutely fine. However, if you don't give us some details about you, we can't enter you in the prize draw (which is the only reason we are asking for details).

How do I enter the prize draw?

Just vote in at least one category, then make sure you complete the prize draw section at the bottom of the form.

Don't worry, we only want your information so we can let you know if you win. We won't share your information with anyone else or use it for any other purpose.

The photo used is for illustrative purposes only. No, you won't be winning the food, just the set itself. (Sorry if you like prawns!).

Tell your friends!
